

CIG-SS-CT

Wall Mounted Ciglow Lighter Unit with Control Timer

Mounting Style

This unit is mounted onto a wall or similar flat surface.

Weatherproof Rating

This unit is rated IP65 and is suitable for indoor or outdoor use in all weather.

Element

This unit uses the CIG-SL internally mounted screw-in element.

Operation

This unit operates using a computer programmed safety timer. The user presses the push button then releases. The unit then runs through a cycle which heats up the element, switches it off, and then adds in a cool down period. The timer cannot be restarted whilst this cycle is running.
